

# How to find your school's SGO/PGO score in eWalk

**Step 1:** Click on the large “Reports” button then click on the smaller “Reports” button beside “Export”

**Step 2:** Click on the report called “Overall View Report”

**Step 3:** In the box that appears:

Under 1. Select View, select “All views for: Teacher”

Under 2. Select Sites, select the name of your school

Under 3. Report Period, select the date range of the school year you would like to calculate the SGO average for.

Filter(s) for: Overall View Report

### Overall View Report

**1. Select View**  
 All views for: *Teacher*

**2. Select Sites**

Select/Deselect All

- SCA
- Sch #01
- Sch #02
- Sch #03

<b>SGO Average</b>	3.61

This score is calculated based on the SGO score 1 and 2 added for each staff member in the school summed up and divided into the average score for the school.
