Writer’s Workshop looks like...

- Some writers working at their desks.
- Some writers conferencing with their peers.
- Some writers conferencing with the teacher.
- Some writers publishing their writing.
- All materials are put away properly.
- Everyone is working really hard!
Writer’s Workshop sounds like ...

- Student writers silently writing.
- Teacher and students using quiet voices during conferences.
- Students using quiet voices during peer conferences.
- Students using soft feet to move from place to place.
- Everyone is working hard!
- Everyone gives compliments during sharing time!
