Connecting with expert tutors for on-demand, 1:1 help

The expert tutors at Tutor.com can help you work through a tough homework problem, improve your writing skills, study for a test, review a difficult concept, and so much more!

Get started

Look for Tutor.com in Clever for 24/7 access to live tutors, essay drop-off, test prep resources, and more.

01

Get the right tutor

Fill in the quick pre-session questionnaire. Using this information, we will match you with the first available tutor best qualified to assist you.

02

Work together

Use the chat box or an audio connection to work with your tutor in the online classroom. Use the interactive whiteboard to share work and ideas. *All activity in the classroom is recorded for your review and quality control.*

03

Submit your paper

Drop-Off Review allows you to get expert help from a tutor without having to connect for a live session. Upload your writing assignment and get detailed feedback within 12 hours. Retrieve your tutor's completed review under **My Sessions**.
