

## Do you have a student that exhibits the following characteristics?

- ◆ Rapid learner; puts thoughts together quickly
- ◆ Excellent memory
- ◆ Unusually large vocabulary and complex sentence structure for age
- ◆ Enjoys solving problems, especially with numbers and puzzles
- ◆ Thinking is abstract, complex, logical, and insightful
- ◆ Longer attention span and intense concentration
- ◆ Preoccupied with own thoughts –daydreamer
- ◆ Asks probing questions

These are just a few common characteristics of gifted individuals.

Because gifted children are so diverse, not all gifted students exhibit all characteristics all of the time.

*Paterson Academy for the Gifted and Talented at School 28* is designed for students throughout the city in grades 2-8 who qualify to attend through the gifted screening and identification process.

If you have a student who you believe would thrive in this program, please notify their School Counselor.

# NOW ACCEPTING NOMINATIONS

**Limited seats based on current student enrollment**

Nominations may be submitted by students themselves, teachers, parents or any person familiar with a student's abilities, potential, performance, and/or past records.

Nominations shall be based on evidence of performing well above grade level, and/or demonstrating exceptional strengths or talents and/or evidence of high level reasoning ability.
