Sunday, March 29, 3:30 p.m.  
Languages: ALL

### Script

This is Paterson Superintendent of Schools Eileen Shafer with an important message for all parents and guardians of Paterson Public Schools students.

The new Student Home Instruction Packets are now available for download from the Paterson Public Schools website.

Simply visit [Paterson.k12.nj.us](http://Paterson.k12.nj.us) and click on the COVID-19 quick link, then click on the tab that says, "Downloadable Student Home Instruction Packets."

You will find a series of links that will lead you to the packets your child needs. The packets are pdfs that can be downloaded and printed out.

Hard copies of the packets will also be distributed on Monday, March 30th, Tuesday, March 31st, and Wednesday, April 1st from 9:00 a.m. to 3:00 p.m. at 23 distribution sites throughout the City of Paterson.

To find out which site will be distributing packets for your child's school, please check the COVID-19 page on the district's website, Facebook page, and Instagram account.

We understand why parents have concerns about coming out to the sites, which is why we have made the packets available on the district website and at the individual schools' websites.

I want to thank you, again, for working with us. I appreciate all of your comments, whether they be through email or social media. We are doing our best to serve your needs.

And we are always committed to keeping your children fed and learning during this most unusual time.

Thank you and God bless each and every one of you.
