

Uploading Work To Google Classroom

Method 1:

This is the easiest method moving forward if possible.

The first time it is set up there are a lot of steps, but it is the easiest once you get it set up

1. Download CamScanner on your phone (it is free)
2. Select the camera in the app and change it to batch
3. Take pictures of your work.
4. Click the green check mark on the right if they all look good :)
5. Change the title to the title of the lesson by clicking on the title given by the app (Day 1-Math for example you do not need to write the whole title of the lesson)
6. Click more
7. Click upload
8. Upload the pictures to your Google drive by syncing your accounts
9. Go to the day of the assignment
10. Click on view assignment
11. Go to attach or create
12. Attach the file from your Google drive
13. Click Turn in :)

Method 2:

1. Take pictures of your work.
2. E-mail them to yourself
3. Download them
4. Add them to your Google drive
5. Go to the day of the assignment
6. Click on view assignment
7. Go to attach or create
8. Attach the file from your Google drive
9. Click Turn in :)

Method 3:

1. If you are unable to take pictures of your work to submit
2. Create a Google doc
3. Write your answers in the Google doc
4. Save it with the lesson title
5. Download it as a PDF
6. Go to the day of the assignment
7. Click on view assignment
8. Go to attach or create
9. Attach the file from your Google drive

Link to see how to attach files to the assignment.
