**Donnie W. Evans, Ed. D**  
*State District Superintendent*

***Eileen F. Shafer***  
*Assistant Superintendent  
Secondary Education*

## ***High School Renewal Advisory Committee***

The High School Renewal Initiative is underway in the District. There is a High School Renewal Advisory Committee which includes community leaders, parents, clergy, university professors, educators, district personnel, law enforcement, and community members. There is also a detailed action plan with strategies, resources and outcomes.

The High School Renewal Committee meets 3 times a year. All recommendations are presented to the State District Superintendent for approval and implementation.

Stay tuned for additional updates.
