*Programs designed for the students of the Paterson Public Schools are academically aligned to Common Core State Standards, as per NJAC 6A:10:4. The Paterson Public School Summer School Programs are offered to students from Pre-K through 12th Grade. The programs provide for both reinforcement of learned skills remedial assistance over the summer. Summer school classroom teachers use high-leverage instructional practices to improve students' language arts skills, technical (non-fiction) reading and writing, and math skills. Each classroom will have a highly qualified teacher. All students will participate in ongoing formative assessments to measure progress toward learning goals.*
