0157 BOARD OF EDUCATION WEBSITE

For the purpose of keeping the community informed, the Board authorizes the Director of Communications to coordinate and oversee a school district website to be maintained on the Internet. All items to be posted on the website shall be approved by the State District Superintendent, or designee, prior to posting. In the event the Director of Communications finds certain material that is submitted to be posted, should not be posted, the Director of Communications shall seek approval of the State District Superintendent prior to posting such material. In the event the State District Superintendent, upon review of the material from the Director of Communications, believes the material should not be posted on the website, the material shall not be posted.

The types of information that may be posted on the website include, but are not limited to:

- Board Meeting public agendas
- Board Meeting approved minutes
- Board of Education policies
- Board of Education regulations
- Board of Education meeting dates
- School District Newsletter Information
- Information regarding school times, closings, procedures, schedules
- Frequently asked questions as they relate to Board functions
- School Administration Information
