College and Financial Aid Process

2200.1 COLLEGE AND FINANCIAL AID PROCESS

It shall be the policy of this Board of Education that each year the district will host forums for students and parents on getting into and applying for college entrance and the financial aid process.

The forums shall take place a minimum of twice yearly in a manner that is in coordination with universities early and regular registration processes. The forums shall include, but not be limited to the following subjects:

- ❖ The college application process
- ❖ Review of the college selection process
- ❖ Review and assistance in submitting financial aid forms and appropriate documentation
- ❖ Special attention paid to the common application form

It will be the expectation of these forums to provide information to all students in the district who are college eligible. The numbers of attendees for each session will be reported to the Board of Education after each forum is concluded.

Adopted: 18 January 2012
