3100 RECOMMENDATIONS AND APPOINTMENT OF TEACHING STAFF MEMBERS

The Paterson Board of Education recognizes the school district's status as a State Operated School District as of the adoption of this Policy. The Board will conduct its business in accordance with New Jersey Statutes and New Jersey Administrative Code adopted by the New Jersey Department of Education.

In accordance with the State Takeover Report to the State Board of Education prepared by the Commissioner of Education dated June 19, 2002, the Board acknowledges the Commissioner's intentions to return the Paterson School District to local control with new legislation that reflects criterion for return to local control.

In accordance with this Report, effective August 1, 2002, the Superintendent will present all recommendations for support staff positions, consultants, and attorneys other than in-house counsel, to the Board for discussion and consideration. In the event a majority of the Board members present at the meeting in which the recommendation is made has a dispute with the Superintendent's recommendation for a specific appointment, the Superintendent will submit the recommendation to the Commissioner of Education, or designee, to make a final determination. This process shall be extended to all professional staff appointments effective April 1, 2003, for appointments for the 2003-2004 school year.

Adopted: 31 October 2002
