9110 QUALITY ASSURANCE ANNUAL REPORT

****ABOLISHED 8/21/2009****

The Policy Guide 9110 - Quality Assurance Annual Report and the process has been replaced by Policy Guide 2631 - New Jersey Single Accountability Continuum (QSAC) and the new QSAC process. As the Department of Education will have completed the QSAC process for almost every school district by November 2009, school districts that have completed or will be completing, the QSAC process should abolish Policy Guide 9110 if this Policy Guide has not previously been abolished.

THIS POLICY IS TO BE DELETED
