Dear Mr. Montes,

On behalf of the New Jersey Association for Middle Level Education, it is my pleasure to inform you that you are the recipient of the 2017 Middle Level Administrator of the Year Award. We recognize your exemplary service to middle level education and the New Roberto Clemente Middle School.

Administrators of excellence are the foundation of any school as their vision ultimately leads the school to achievement. This award serves to honor distinction in performance, skill in practice, and passion in participation. In honoring Middle Level Administrators of Excellence, we strive to heighten awareness of best leadership practices and recognize the value of individual achievement.

Candidate administrators for this award lead their school in creating meaningful learning experiences that are developmentally responsive to the needs of early adolescents.
