Paterson Public Schools

Behaviorist/ Teacher Intervention and Referral Specialist Practice Rubrics

Professional Educator Performance Standards

- 1. Planning and Preparation (x2)
 - **❖** Professional educators prepare for quality instruction using a comprehensive approach.
- 2. Data Informed Decision Making (x2)
 - ❖ Special Service Providers use multiple sources of data to inform their decision making.
- 3. Delivery of Service (x3)
 - Special Service Providers deliver quality services.
- 4. Interventions (x3)
 - ❖ Special Service Providers increase the probability of advancing individual student achievement.
- 5. Contributions to the Learning Environment (x2)
 - ❖ Special Service Providers make contributions to the learning environment, supporting a culture that is conducive to student well-being and learning.
- 6. Leadership (x2)
 - ❖ Special Service Providers have a responsibility for professional growth and positive leadership
- 7. Professional Responsibilities (x1)
 - **❖** Special Service Providers have a responsibility to the profession, district, parents, students, and the public.

PERFORMANCE STANDARD #1: PLANNING AND PREPARATION

Special Service Providers plan for quality service using a comprehensive approach.

Ser	vice and Support		TI D. I.	Level of Perform		
sho	Behavior Analyst ould know and be e to:	Unsatisfactory	Progressing	avior Analyst perforr Proficient	Exemplary	Evidence:
1a	Incorporate knowledge of Applied Behavior Analytic services.	Demonstrates little understanding of the principles of behavior.	Demonstrates basic knowledge of the principles of behavior.	Incorporates the principles in planning activities and services on a consistent basis.	Incorporates the principles of behavior, which guide all aspects of program development, implementation and evaluation.	
1b	Demonstrate knowledge of child and adolescent development.	Displays little or no knowledge of child and adolescent development.	Displays knowledge of child and adolescent development.	Understands the typical and atypical developmental characteristics of the age group as it applies to learning and essential life skills acquisition. Applies this knowledge in routine counseling activities.	Understands child and adolescent development as it applies to learning and essential life skills acquisition. Uses this knowledge in designing individual student interventions, small group work and guidance activities.	
1c	Establish goals for the behavior intervention plans to support student learning.	Has no clear goals for the behavior intervention program or they do not support student.	Outlines goals for the behavior intervention program that are rudimentary and occasionally focus on student learning.	Establishes goals for the behavior intervention program that are clear with outcomes intended to positively impact student learning.	Establishes goals for the behavior intervention clear well developed with evidence demonstrating a positive impact on student learning	
1d	Establish goals for instructional and behavioral support programs, clear and organized procedures for referrals, and meeting outcomes with staff within programs.	Inconsistently communicates session goals or meeting outcomes and/or the purposes may be inappropriate for the student or situation.	Communicates in a timely manner the goals they want to accomplish by the end of the session or meeting, although it may be unclear to others.	Consistently communicates clear goals appropriate to the situation when working with or evaluating students. Outcomes for meetings are stated in advance.	Effectively communicates staff members' understanding of the goals and purpose of each session or evaluation. Meeting outcomes are clarified in advance and participants know what is expected of them.	

1e	Plan behavioral interventions accommodation modifications to maximize likelihof student successives	ood	Unaware of needs of students based on data. Makes no suggestions for interventions for students with individual needs.	of Communicate individual nee students to ap school persor Makes minima suggestions for interventions data. Provides monitoring an follow-up of interventions.	ds of opropriate unel. al or based on s minimal	Demonstrates knowled of child/adolescent cognitive developmen applies this knowledge developing effective interventions to promot learning. PERFORMANCE STANDARD #2: DATA INFORMED DECISION MAKING

Special Service Providers use multiple sources of data to inform their decision making.

Servi	ice and Support			Level of Per		
Anal	Behavior yst should know be able to:	Unsatisfactory	Progressing	Behavior Analyst pe Proficient	erforming at this level: Exemplary	Evidence:
2 a	Use a variety of instruments to gather information on student's strengths, needs and preferences.	Lacks the skills to determine specific procedures to be used to determine strengths, needs and preferences of students. Uses instruments that are outdated or with poor reliability or validity. Fails to score or interpret results accurately.	Developing the skills to determine the appropriate assessment procedures to be used with working to understand the unique needs of students. Has a basic understanding and can use a variety of interest inventories, surveys and rating scales. Improving in ability to administer and interpret results accurately.	Effectively uses the information gathered from a variety of instruments on student strengths, needs and preferences; such as, career, personality, interest and/or learning style inventories, rating scales, interviews, observations, survey of reinforcement and threat assessment.	Advocates for the importance of multi-dimensional assessment of students. Works collaboratively as part of an interdisciplinary team examining results from a variety of instruments on student strengths, needs and preferences. Utilizes and can train others on administration and interpretation of preference assessments, FAST, MAS, parent/teacher surveys, VB-MAPP, observations, interventions, interest and/or learning styles inventories. Has specialized expertise in using behavior rating scales, interview strategies, observation protocols, surveys of reinforcement and implementation of threat assessment.	
2b	Analyze and use results from multiple sources or assessments in decision making.	Shows minimal effort to collect data and integrate assessment results to influence planning and interventions available in the school and for students.	Attempts to collect data and integrate assessment results to influence planning and interventions available in the school and for students.	Often collects data and integrates assessment results to influence planning and interventions available in the school and for students.	Continually collects data and integrates assessment results to influence planning and interventions available in the school and for students.	

2c	Provide appropriate feedback.	Poorly communicates assessment results (records of student data) to a variety of audiences (parents, students, staff and community) in a useful, sensitive and culturally appropriate way.	Inconsistently communicates assessment results (records of student dat to a variety of audience (parents, students, staf and community) in a useful, sensitive and culturally appropriate way.	eś data) to a variet	assessme student da audiences staff and cuseful, auseful, ulturally	communicates Intresults (records of ta) to a variety of (parents, students, ommunity) in a sitive and culturally as way.		
2d	Utilize technology to gather data and enhance the learning environment.	Use of available technology is not evident. Unaware of how to access or use electronic data management systems to store and retrieve student information and student plan or generate reports.	Demonstrates some technology skills that support service deliver Has a working knowledge of how to access student information, achievement results, student plans and is able to generate report	service delivery district electroni management to access student information, stu plans, achieven	role by ins ss of use of con Uses promote e c data efficiency ins ols to Uses distri management dent to create r progress-r	n active leadership ructing others on the puter programs that fectiveness and n service delivery. ct electronic data ent tools proficiently eports and analyze nonitoring data.

PERFORMANCE STANDARD #3: Delivery of Service

Special Service Providers deliver quality services.

Serv	ice and Support		The Be	Level of Perfo	rmance orming at this level:	
	Behavior Analyst Ild know and be able	Unsatisfactory	Progressing	Proficient	Exemplary	Evidence:
3a	Use a variety of materials, methods and strategies to remove behavioral barriers to learning.	Rarely assists students, instructional staff, and their parents in the individual student planning of behavior goals that are reviewed and updated on a continuing basis.	Adequately assists students, instructional staff, and their parents in the individual student planning of behavior goals that are reviewed and updated on a continuing basis.	Effectively assists students, instructional staff, and their parents in the individual student planning of behavior goals that are reviewed and updated on a continuing basis.	Proactively assists students, instructional staff, and their parents in the individual student planning of behavior goals that are reviewed and updated on a continuing basis.	
3b	Demonstrates an understanding of individual, group, and classroom interventions.	Has ineffective knowledge of techniques to address to help students and teachers acquire skills in decision-making, problem solving and goal setting.	Displays a limited repertoire of techniques to address behaviors and to help students and teachers acquire skills in decision-making, problem solving and goal.	Effectively applies techniques to address behaviors and to help students and teachers making, problem solving and goal setting for increased behavioral success.	Highly skilled with depth and range of effective techniques to address behavior and to help students and teachers acquire skills in decision making, problem solving and goal setting.	

3c	Using assessment data to develop and implement evidence based academic and social/ behavior services and interventions that are intended to remove barriers to learning and that are intended to improve student performance.	Develops behavior plans that have no clearly defined structure, or structure is chaotic. Does not follow an organized progression, and time allocations are unrealistic. Behavior plans are not thought-out and planning is inadequate. Behavior plans are unfocused and/or plans consistently limit behavior - student engagement.	Develop behavior plans that have a recognizable structure, although the structure is not uniformly maintained throughout. Progression of behavior plan is minimally detailed. There is not a general plan Minimal effort has been given to focus behavior plans to student need.	Designs and delivers behavior plans that have a clearly defined structure around which activities are organized. Progression of activities is even, with reasonable time allocation. Behavior plans are designed with focus and in fair detail. Behavior plans are designed to maximize productive time and engage student thinking.	Designs and delivers behavior plans that have a clearly defined structure that allows for different pathways according to diverse student needs. The progression of the behavior plan/ activities is highly coherent. Behavior plan is fully planned with explicit attention to detail. Behavior plans are designed to maximize productive time and critical thinking skills.	
3d	Ensure trainings are focused and productive while promoting active participation.	Does not assume responsibility for ensuring that trainings are both focused and productive.	Is working on improving facilitation skills to ensure that trainings are both focused and productive.	Frequently monitors the success of the trainings against the intended outcomes. Able to facilitate sessions or meetings that are generally focused, productive and encouraging of active participation.	Consistently seeks input from participants when monitoring the success of the trainings against the intended outcomes. Facilitation skills promote active participation during focused and productive sessions or meetings.	
3e	Access building district and community resources.	Displays little or no knowledge of building, district and community resources or resources are mismatched with the findings of the identified needs.	Has knowledge of and accesses building and district resources for students.	Has knowledge of building, district and community resources. Connects student/family with resources in a timely manner and does appropriate follow-up.	Has knowledge of existing building, district and community resources and develops additional resources, which are used in prevention efforts with students and their families. Relentless in seeking ways to make resources available to students through the school, district and in the community.	

3f	Implement and evaluate a yearly Behavior intervention plan for students who need behavior support services. Standard #3		Does not impl and/or distributy yearly calendate behavior analyservices. Services/active are not based need or are evaluated for effectiveness.	ite a ar of ytic ities	Occasionally in and distributes calendar of ber analytic service modest change behavior interventan.	a yearly navior es. PERFORMANCE STANDARD #4 Interventions

Special Service Providers increase the probability of advancing individual student achievement.

Servi	ce and Support		The Peh	Level of Perform avior Analyst perform		
	Behavior Analyst Id know and be to:	Unsatisfactory	Progressing	Proficient	Exemplary	Evidence:
4a	Directly implement, train others to implement, or monitor behavior interventions.	Does not monitor behavior interventions for students with individual needs.	Provides minimal monitoring and/or follow-up of behavior interventions.	Actively monitors Behavior Interventions that meet the individual needs of students. Assists in the design and delivery of access skills that support learning.	Ensures that progress- monitoring systems are in place to determine intervention effectiveness and promptly takes action to adjust programs or interventions when progress-monitoring data suggests the need to do so.	
4b	Recommend, implement or monitor appropriate interventions for students who have been identified to need behavioral analytic services.	Unaware of social, emotional and/or behavioral needs of students based on assessment data. Makes no suggestions for social, emotional and/or behavioral interventions for students with individual needs (e.g. behavior support plans, planning and/or organizational skills, self-monitoring).	Communicates individual social, emotional and/or behavioral needs of students to appropriate school personnel. Makes minimal suggestions for social, emotional and/or behavioral interventions based on data. Provides minimal monitoring and/or follow-up of social, emotional, behavioral interventions based on data.	Assists in planning, implementing and monitoring effective behavior management programs based on data. Develops research based social, emotional and/or behavioral interventions that are adapted to individual needs. Uses assessment data to evaluate and monitor interventions to determine effectiveness, need for modification, or need for redevelopment. Assists in the design and delivery of access skills that support learning such as self-regulation, self-monitoring, time management, planning and/or organizational skills and making appropriate choices.	Works collaboratively with other professionals to develop and implement behavior change programs (individual group, and classroom) that demonstrate the use of alternative approaches to student discipline, comprehensive and behavioral approaches to classroom management, and awareness of classroom climate. Assists parents and other caregivers in the development, implementation and evaluation of behavior change programs in the home in order to facilitate the learning and behavioral growth of the student.

PERFORMANCE STANDARD #7: Professional Responsibilities

Special Service Providers have a responsibility to the profession, district, parents, students, and the public.

	essional ponsibilities:	Level of Performance The Behavior Analyst performing at this level:						
The Behavior Analyst should know and be able to:		Unsatisfactory	Progressing	Proficient	Exemplary	Evidence:		
7a	Adhere to federal laws, state statutes and regulations pertaining to education, the Board of Education (BOE) Policies, the Agreement of Trust and Understanding (ATU), school rules, and the BACB Ethical Guidelines.	Disregards or has no awareness of legal and professional responsibilities pertaining to education. Does not comply with school rules, Paterson Public Schools policies and procedures, and the BACB Ethical Guidelines.	Has a limited understanding and seeks to raise awareness of their legal and professional responsibilities pertaining to education. Complies minimally with school rules, Paterson Public Schools policies and procedures, and the BACB Ethical Guidelines.	Understands and abides by the legal and professional responsibilities pertaining to education. Complies fully with school rules, Paterson Public Schools policies and procedures, and the BACB Ethical Guidelines	Fully understands and abides by the legal and professional responsibilities pertaining to education. Consistently complies with school rules, Paterson Public Schools policies and procedures, and the BACB Ethical Guidelines. Actively contributes to solutions that promote effective implementation of policies and procedures.			
7b.	Demonstrate professionalism.			Models respect for others when interacting with students, parents, staff and the community. Acts ethically, honestly and with integrity at all times. Assumes responsibility for maintaining professional composure in the face of conflict or difficult situations.	Promotes a culture focused on exemplifying respect for others. Consistently acts ethically, honestly and with integrity. Is a calming presence when faced with conflict or challenges.			

7c	Effectively communicate.	Inconsistently communicates to students, staff, families, colleagues, administrators and the community. Communication is not accurate, understandable nor is it sent in a timely fashion.	Communicates information in a timely manner with multiple audiences (students, families, colleagues, administrators, community and others) using oral, written and electronic methods of communication.	Consistently communicates clear, understandable and accurate information in an efficient and timely manner with multiple audiences using a variety of communication methods.	Effectively communicates and collaborates with students, families, colleagues, administrators and the community in a manner that supports the welfare and success of students and the organization.	
7d.	Maintain confidentiality.	Disregards the legal and professional aspects of confidentiality practices.	Seeks clarification and an understanding of confidentiality practices. A desire to develop a working knowledge of the law is demonstrated through the individual's initiative to do research, ask questions, and communicate with colleagues about best practice.	Maintains the legal and professional aspects of confidentiality practices. A working knowledge of the law is demonstrated through the decisions made regarding how, when, where, why, and with whom confidential information is shared and stored.	Consistently demonstrates respect for and prohibits others from sharing confidential information inappropriately. Demonstrates a working knowledge of the law through the decisions made regarding how, when, where, why, and with whom confidential information is shared and stored.	
7e.	Solve problems.	Is minimally involved in identifying and seeking solutions to building, professional and/or academic issues. Solutions may even have an adverse impact.	Makes limited contributions when identifying and seeking solutions to effectively address building, professional and/or academic issues.	Actively participates to identify and seek solutions using conflict resolution and decision making strategies that effectively address building, professional or academic issues.	Facilitates and models strategies for identifying and seeking solutions to building/district level professional and/or behavioral issues. Anticipates and diffuses conflicts using a variety of communication methods, as well as conflict resolution techniques.	
7f.	Perform assigned and related duties.	Is absent from assignment and/ or is habitually late	Performs assignment and other duties as assigned. Is usually present and on time.	Assumes full responsibility for the successful implementation of assignment and other duties as assigned. Is present and on time.	Consistently assumes full responsibility for and improves upon the effective and efficient implementation of assigned duties.
